

GUTIÉRREZ ORTHODONTICS

"Tampa Bay's finest smiles"

Welcome...

Dr. Alex Gutiérrez was born in Ponce, Puerto Rico and has lived in Central FL since 1987.

Dr. Gutiérrez believes in a state-of-the-art orthodontic practice delivering customized orthodontic solutions in a comfortable, inviting atmosphere. Using the latest technologies and providing the highest quality of orthodontic treatment available, his patient-driven practice is devoted to delivering the best care to his patients, their families, and the community. His practice is designed to utilize the most advanced technology available to ensure that every patient's objectives are met and every question is answered.

As he puts it, "The specialty of Orthodontics is the combination of art, science and medicine that allows me not only to help people medically but also to provide them with a life lasting beautiful smile and increased self esteem."

Integrating his practice into the community is very dear to Dr. Gutiérrez's heart. Family has always been very important to Dr. Gutiérrez, and he strives to create that kind of environment in his practice. Fluent in Spanish and active in the Catholic Church, Dr. Gutiérrez is dedicated to serving the community through organized dentistry and orthodontics, teaching, and lending a helping hand through various volunteer projects.

Dr. Gutiérrez is a Diplomate of the American Board of Orthodontics & Dentofacial Orthopedics. He is a premier provider in TMJ disorders, Laser Orthodontics, Distraction Osteogenesis, Aligner or Braces therapy. Dr. Gutierrez is also a member of the American Academy of Facial Esthetics providing the latest modalities in Botox Cosmetic® and Juvederm®.

When he is not practicing orthodontics, Dr. Gutiérrez enjoys motorcross and offroad motorcycle racing, water sports, diving and winter sports but most of all spending time with his wife Jenny and his Boxer Tyse.
