

Trusted orthodontic care for generations of confident smiles

When it comes to your family's teeth, you want trusted, experienced orthodontic care. You also want orthodontic care to fit conveniently into your schedule, with all of the advanced treatment options that make orthodontic care faster, easier and more effective. That's why you deserve the experienced, board-certified care of Dr. Kervin Mack at Mack Orthodontics.

While many general dentists offer orthodontic procedures, only a board-certified orthodontist like Dr. Mack can provide the caliber of care you deserve. Seeing a board-certified orthodontist will ensure you achieve a great outcome and avoid costly retreatment later. Plus, Dr. Mack loves getting to know his patients and has a reputation for developing a great rapport with kids and teens. No wonder so many busy families trust his skill and experience! Personalized care you'll feel good about

You'll appreciate the time Dr. Mack takes getting to know you and your family. He will listen to your concerns and answer your questions in plain language, so there are no mysteries about orthodontic treatment. And because this is a private practice, you will always be seen by Dr. Mack personally.

Compassionate care for kids & teens

One reason Dr. Mack is so popular is that he's great with younger patients. Dr. Mack treats kids of all ages with care, compassion and respect. And Mack Orthodontics keeps kids motivated throughout treatment with fun contests and prizes – they may even look forward to their appointments!

A practical approach to early treatment

Dr. Mack believes in early treatment when necessary. If your child is a candidate, Dr. Mack can treat small problems before they become big ones. Early orthodontic prevention is typically used to correct bite problems, crowded or impacted teeth and abnormal growth patterns. Ask Dr. Mack if early treatment is right for your child.

Advanced care for adults

You've given your child a confident smile. Now it's time for yours! Straightening your teeth as an adult can dramatically improve your personal appearance and self-esteem. Using today's most advanced and discreet techniques, including clear braces and Invisalign® aligners, Dr. Mack can help you achieve the smile you've always wanted, in less time than you might think.

Today's best orthodontic options

Mack Orthodontics focuses on the most effective and current techniques to straighten teeth and get you smiling faster:

- Traditional braces
- Preferred Invisalign® provider
- InVu ceramic braces
- WildSmiles braces
- 3D digital scanning & treatment planning
- Habit-breaking appliances
- Athletic mouthguards
- Treating kids, teens & adults
